SCHOLARSHIP INFORMATION

NCI offers two types of institute scholarships: the John D McCurdy Founder Scholarship and the Keith Svadba Memorial Scholarship. Both are available on an annual basis and are not need-based.

Three John D McCurdy Founder Scholarships, authorized for the Aviation Maintenance Technician (AMT 147) Program, may be awarded annually in the amount of \$1500.00 per scholarship. One (1) scholarship is dedicated to recent High School graduates or Escrow students entering the Aviation Maintenance Technician AMT 147 Program and two (2) scholarships are awarded to an active AMT 147 student. For students to qualify for a John D McCurdy Founder Scholarship, they must be enrolled full time and have a GPA of 2.5 or higher (High School or Escrow students need to have a 2.0 or higher GPA).

One Keith Svadba Memorial Scholarship may be awarded annually in the amount of \$500.00 per scholarship. This scholarship is authorized for the Aviation Maintenance Technician (AMT 147) Program NCI offers.

Qualified students may be awarded one scholarship in each category at the discretion of the NCI administration. Contact the Finance Department to obtain applications and to submit the completed application packets along with supplemental information. Scholarship application packets must be submitted between January 1 – June 1 of each calendar year.

Scholarship funds can be used for tuition and NCI required fees. These fees may include initial CATS testing as well as DME fees but may not include incidental charges in the bookstore or make-up time. Funds not utilized will be retained by the Institute. No cash disbursement is authorized. If students have been awarded a scholarship and decide to change programs, they are not eligible for additional scholarships; should funding be available in the student's account, the remaining funding may be used toward a new program of study. Scholarship recipients are responsible for application, graduation, and all other fees associated with their program of study not covered by the scholarship.
