

CONTINUING EDUCATION FLIGHT COURSES

North Central Institute (NCI) maintains partnerships with SkyWarrior Flight Training (a flight training school located in Pensacola, Florida) and CAE Phoenix (a flight training school located in Phoenix, Arizona) to provide flight training courses to those interested in continuing their aviation education. The objective is to prepare students to obtain a private pilot certification (PPC), with an instrument rating (IR) and/or multi-engine rating (ME).

Through these partnerships, students may elect to attend SkyWarrior Flight Training (SkyWarrior) or CAE Phoenix (CAE). The training partner will provide the following training courses at one of its approved CFR Part 141 training facilities. Students may elect to participate in one or multiple training courses.

AVI 100 – Private Pilot Certification (PPC) – 6 Credit Hours

Students will complete the required ground, dual and solo flight instruction to meet the FAA requirements for the Private Pilot Certificate. In addition, this course covers the requirements for all ground and pre/post flight training to enable the student to successfully complete the FAA Private Pilot Written Exam. Students who enter the course must be able to hold an FAA class 3 medical certificate required to complete the Private Pilot Certificate check ride.

AVI 110 – Instrument Rating Certification (IR) – 6 Credit Hours

Students will complete the required ground, dual and solo flight instruction to meet the FAA requirements for the Instrument Rating. In addition, this course covers the requirements for all ground and pre/post flight training to enable the student to successfully complete the FAA Instrument Pilot Written Exam. Students who enter the course must be able to hold an FAA class 3 medical certificate required to complete the Instrument Rating check ride.

AVI 120 –Multi-Engine Rating (ME) – 6 Credit Hours

Students will complete the required ground, dual and solo flight instruction to meet the FAA requirements for the Multi-Engine Rating. This rating may be done as either a Commercial add-on or a Private Pilot add-on. Students who enter the course must be able to hold an FAA class 3 medical certificate required to complete the Multi-Engine Rating check ride.

Schedule: Ground Classes meet Monday – Friday, 8:00 a.m. – 5:00 p.m.
- Morning class is held from 8:00 a.m. – 12:00 p.m.
- Afternoon class is held from 1:00 p.m. – 5:00 p.m.
Flight Classes meet Monday – Sunday, Flight schedules vary

Schedule and pricing is subject to change without notice. See NCI's website for current schedule.

NOTE:

** Should the training provider's cost increase beyond the rates listed, NCI will add a surcharge to each invoice equivalent to the cost which is incurred above the below listed rates.*

***Training Provider's reserves the right to set its own DPE Fees. Training providers will add a surcharge to each invoice equivalent to the additional cost the training provider incurred should the training provider choose to set a higher DPE Fee at the time any Student conducts their DPE checkride.*
